# Skills Bootcamps

Skills Bootcamps are part of the Government's Lifetime Skills Guarantee, helping everyone gain skills for life, funded through the Department of Education and are free (to the learner).

The aim of Skills Bootcamps is to:

- Provide businesses with targeted and flexible training to upskill their employees so they can gain progression within the business.
- Aid businesses to hire people with the skills required and help fill their vacancies.
- Support individuals to develop skills and fulfil their potential and assist people currently un-employed or returning to work to find skilled local employment.

Skills Bootcamps are open to anyone 19+ who has the right to live and work in the UK.

For individuals and self-employed the training is fully funded. For businesses, there is a small employer contribution:

For small to medium employers (SME) 10%

For businesses with more than 250 employees 30%

Skills Bootcamps are employer led programmes aimed to meet business needs. The training is delivered by our approved training providers, offering flexible training solutions, with many being delivered remotely.
